Call us for a quote at 800-321-7798, or visit www.globaltoursus.com for more information.

Airlines

In instances where Global Tours provides airfare quotes in conjunction with our tours, we may obtain special rates that are subject to the restrictive terms and conditions of the airlines. These fares are quoted based on real-time availability and are subject to change at any time prior to ticketing. Tickets are subject to all rules and restrictions of the airlines including but not limited to matters of changes, cancellations and refunds. Any change, correction, or cancellation of air tickets after issuance will be subject to fees and penalties charged by the airlines and ticketing agency.

Hotels

We select hotels for our tours based on the quality of accommodations, services, location and rates to ensure comfort, convenience and value. All tour prices are based on sharing double occupancy. Single rooms can be provided at an additional charge as specified in the tour price section. Triple occupancy is possible for most tours at a small discount for the 3rd person and may be offered subject to availability.

Required Travel Documents

Every tour member must have a valid passport and it should be kept accessible during the journey and for each international departure and arrival. We recommend that each person keep a copy of the passport (the page where photo and personal information are shown) separately in a secure place. This will help tremendously when a passport is lost and needs to be replaced. Vaccination may be required for certain destinations, and the requirements will be advised upon receipt of tour deposit.

Baggage

Due to the limited baggage space in the touring vehicles, each tour member is advised to bring one suitcase and one carry-on bag. Extra baggage may cause logistical problems and also require additional charge from both the airline and local tour company. We recommend that travelers purchase travel insurance to protect their baggage against any damage, loss or delay that could occur during the tour.

Rates

All tour prices are quoted based on check payment. Payments made by credit card will be required to add 2% to each credit card charge. Tour prices are quoted based on hotel rates, ground tariffs, and exchange rates effective as of the date of publication and are subject to change due to fluctuations in currency exchange rates. Any cost increase due to change in exchange rate in excess of 3% may be passed on to tour members. In the event of computer or human error, we reserve the right to send a revised invoice to travelers with any necessary corrections.
